

A program that puts leadership into the Communication and Leadership Program!

# High Performance Leadership

The High Performance Leadership Program is part of Toastmasters' leadership track. One of the requirements for the Advanced Leader is completion of the program.

This hands-on, skill-building program requires you to conduct a project of your choice in which you serve as a leader. Reflecting your own goals, the project may be affiliated with your participation at Club, Area, Division, District, business or community level. The High Performance Leadership manual walks you through the project's different phases, providing study material and activities to complete. As you progress you will learn about:

- ◆ The need for leadership, the six dimensions of leadership, your current leadership skills and becoming a more effective leader
- ◆ Developing a vision and a mission
- ◆ Building a team and creating an action plan
- ◆ Helping the team accomplish its mission and dealing with setbacks
- ◆ Analyzing efforts.

Providing help through each phase is a Guidance Committee - people you select to counsel you and evaluate your work.

## THE LEADERSHIP EXCELLENCE AWARD

Your efforts will be recognized! After you complete the manual and submit an application, Toastmasters International will send you a handsome, numbered certificate that secures your place as a recognized participant in this innovative program.
