Building a Successful Team

What is Leadership?

"Leadership:
the art of getting
someone else
to do something
you want done
because he wants to do it."
-- Dwight D. Eisenhower

What is Leadership?

"Leadership and learning
are indispensable to each
other."
-- John F. Kennedy

What is Leadership?

"I start with the premise
that the function of
leadership is to produce
more leaders, not more
followers. Leadership is
about inspiration —
of oneself and of others."
-- Ralph Nader

What is Leadership?

Be gentle and you can be bold; be frugal and you can be generous; avoid putting yourself before others and you can become a leader among the people.
-- Lao Tzu

What is Leadership?

A leader is best when people barely know he exists, not so good when people obey and acclaim him, worse when they despise him....But of a good leader who talks little when his work is done, his aim fulfilled, they will say, "We did it ourselves."
